

FISH ON REPEAT

FROZEN PRODUCT CATALOGUE

OUR BRAND STATEMENT

Fish on RepEAT

A joint venture project of Agrodalma and Vibes for Fish created to move **innovative** European seafood products into global food service markets with **consistency, transparency, and repeatable commercial performance.**

We don't just source, we build the route to market. **Our repeatable model removes the time, cost, and uncertainty** of new product introduction.

Our portfolio spans **premium species** and approachable, **everyday formats** designed for menu innovation and broad appeal.

OUR PRODUCT RANGE

vibesforfish.nl/fishonrepeat

Angulas del Noroeste^{S.L.}

A leading Spanish processor specialising in high-quality, ready-to-use seafood products. Their range includes fish burgers, fish balls, cooking stocks and a modern fish sausage line made from Alaskan Pollock, available in classic Frankfurt and seasoned Bratwurst styles. Their products offer a clean-label, versatile alternative to traditional proteins, ideal for buyers looking for healthier, convenient formats that still deliver on flavour.
